Each event comprises the following entries :

Date

Institution

Kind and title of the event

Venue

Coordinator or person responsible for the organizing

March 2005

Sousse University

3-5 March 2005

Sousse Higher Institute of Business Studies

*Third Annual Conference on Finance, Hammamet
IFC3 : Investment, Information, Technology, Value and
Control*

4 March 2005

Sousse Higher Institute of Applied Sciences and Technology

*Symposium on Knowledge Society and Information
Youth and Culture House at Ksar Hellal*

10-11 March 2005

Sousse Faculty of Letters and Human Sciences

International Colloquium on E-Learning

31 March 2005

Sousse Music School

National Conference on ICT and Employability

Gafsa University

5 March 2005

Gafsa University

*Lecture : "The University and the Knowledge Society",
delivered by Prof. Abderrazak Jeddi, President of Gafsa
University
Ibn Mandhur Culture House, Gafsa*

10 March 2005

Gafsa Faculty of Sciences

Lecture on “*ICT and Research and Training*”, delivered by Prof. Laroussi Weslati

Lecture on “*Horizons, Perspectives, and Challenges of ICT in the Region*”, delivered by Denis Gaste (Toulon University, France)

Tunis El-Manar University

11-12 March 2005

Public Law Tunisian Association

Colloquium on “*Law of public Firms*”

19-22 March 2005

Natural Sciences Tunisian Association

The 15TH Biological days on “*Bio agriculture and environment*”

22-25 March 2005

Mathematic and Applications Association

The 1st Mediterranean days on Applied Mathematics

Higher Institutes of Technological Studies

21-23 March 2005

Jerba Higher Institute of Technological Studies

Encounters

29-30-31 March 2005

Nabeul Higher Institute of Technological Studies in collaboration with “OTC”

Seminar on “Geo-codification and maps digitalization”

Tunis Virtual University

10-11 March 2005

Association of Arts and Human Sciences Francophone Faculties in collaboration with Sousse University and the French “SCAC”

Studies day on “E-Training”

18-28 March 2005

Tunis Virtual University

Participation to the Youth Virtual Fair
“RCD” HQ

22-24 March 2005

Tunis Virtual University

Training days “Interactive multimedia writing” for Sfax university teachers.
M. Ben TAZIRI Adel

28 March 2005

Tunis Virtual University

Seminar on the “Tunis Virtual University and digital culture”
El-Gsour International Fair

Sfax University

22-24 March 2005

National Engineering School at Sfax

Conference on Systems and Signals in Decision-Making

23-26 March 2005

Sfax University

Colloquium on *Learning and Education with ICT*

25-27 March 2005

**Sfax Higher Institute of Informatics and Multimedia
and the National Engineering School at Sfax**

*Fifth Science Days for Young Researchers in Electrical
and Computer Engineering GEI'05*

Director : Prof. Abdelmajid Ben Hamadou

28-31 March 2005

National Engineering School at Sfax

*SETIT 2005 : Information and Communication
Technology*

April 2005

Kairawan University

8 April 2005

Kairawan Higher Institute for Informatics and Management

Workshop on Enterprise Creation and ICT

23 April 2005

Kairawan Higher Institute for Informatics and Management

Seminar "Project creation and New technologies : Challenges and realizations"

Tunis Virtual University

1-2 April 2005

Tunis Virtual University with Kairwan Higher Institute of Technological Studies

Training days "Interactive multimedia writing" for Sfax university teachers.

M. ALLOUCHE Bechir

7-8 April 2005

Tunis Virtual University with Francophone University Agency

Work shop : "Pedagogy and technology"

M. Marcel LIBRAIN, teacher at The Catholic University of Louvain

8 April 2005

Tunis Virtual University

Seminar “E-learning for learning and teaching”
National Institute of Applied sciences and technology
(INSAT)

11 April 2005

**Tunis Virtual University under Presidency of the
Higher Education Ministry in collaboration with the
GAU (UGA)**

Training Workshop “Digital pedagogy and E-learning”
Sousse Letters and Human sciences Faculty

Sfax University

5-9 April 2005

Sfax Higher Institute for Informatics and Multimedia
*Informatics and Bureautics Saloon (SIB 2005) at Sfax
International Fair*
Organizer : Prof. Abdelmajid Ben Hamadou

8 April 2005

**Sfax Higher Institute for Informatics and Multimedia
and Microsoft Tunisia**

Professional Fair : Open ISIMS
Organizer : Prof. Abdelmajid Ben Hamadou

18-20 April 2005

Sfax University

Symposium on Electronic Documents Exchange

22 April 2005

Sfax Business School

Talk : *Online Training : What Kind of Dynamic Interaction ?*

Speaker : Jamel Chekir

Sfax Business School Auditorium

25-29 April 2005

Sfax University

Symposium : *Multimedia Application Programs*

April 2005

Sfax Higher Institute for Informatics and Multimedia and Microsoft Tunisia

Open ISMS Symposium : Web Application Design Technology

Sousse University

13 April 2005

Sousse Higher Institute of Applied Sciences and Technology

Seminar : On line Computing and applications

April 2005

Sousse University in collaboration with the University of Georgia, USA

Training in E-learning

Manouba University

14-16 April 2005

Higher Institute of Documentation

International Symposium : *Digital Information and the*

Knowledge Society
Mechtel Hotel, Tunis

20-21 April 2005

Higher Institute of Accounting And Firms Administration

The 1st national days : “Accounting System Assessment, 10 years after its 1st birthday”.

Higher Institutes of Technological Studies

1-2 April 2005

Kairawan Higher Institute of Technological Studies

Conference on *E-learning Pedagogy and Appropriate Technology*

Organizer : Pr. Adel Ben Tezri

13 April 2005

Sousse Higher Institute of Technological Studies

Symposium : *Instant Informatics and its Application*

14-15 April 2005

El-Kef Higher Institute of Technological Studies

Symposium : *Youth and ICT*

25-30 April 2005

Kairawan Higher Institute of Technological Studies

Workshop : *Digital Applications and the Tunisian Administration*

Organizer : Mohamed Jebali

30 April 2005

Nabeul Higher Institute of Technological Studies

Talk : *The Digital Gap; Definition and How to Fill it Up*

Speaker : Mohamed Ben Ahmed

University of 7th -November at Carthage

1-15 April 2005

Nabeul Higher Institute of Applied Languages and Informatics

Information and sensitization day about digital culture as a means of communication between youth, at Neapolis Youth Center, Nabeul

15-16 April 2005

Tunis National Institute for Labor and Social Studies

International Symposium on "Lifelong Training, Productivity and Employability"

20 April 2005

Higher Institute of Technology and Computer Sciences

Conference on Databases : INBMI 'ORADIT

30 April 2005

Carthage Business School

Inauguration of the connection of the school's stock Exchange database with Reuter's data network and Tunis stock exchange

April 2005

Mateur Higher Institute of Applied Sciences and Technology

Training : Multimedia for the management employees of the Institute

Tunis El Manar University

19-21 April 2005

Tunis Higher Institute of Medical Technology (under the patronage of the Minister of Higher Education)

Tunisian days for Medical Technology

27 April 2005

World Association of Economic Sciences and Trade Students

Congress "The information Society"

27-28 April 2005

Tunis Medicine Faculty

colloquium "Small animal imagery"

28-30 April 2005

Tunisian Association of Internal Medicine

8th Congress of "Internal Medicine"

Gafsa University

25-30 April 2005

Gafsa university institutions

Open-door actions entitled "a passport to the knowledge society" (exhibitions, conferences, workshops...)

May 2005

Sfax University

May-June 2005

Sfax Medical School

Training program in 5 sessions throughout May and June 2005. Training in digital pedagogy and its use in medical studies, by Prof. Nejmeddine Hentati

6-8 May 2005

Sfax University

Colloquium on : *“The Use of Free Software in Teaching”*

16-18 May 2005

Sfax University

Workshop on the construction of interactive websites

16-20 May 2005

Higher Institute for Informatics and Multimedia, in collaboration with Var University in Toulon, France, INGEMEDIA Institute, Gafsa University, Gabes University and Manouba University

Symposium : *“What Are the Stakes in Contents in Information Society”*

Organizers : Prof. Abdelmajid Ben Hamadou

Prof. Mohamed Razak Jeddi

Prof. Laroussi Weslaty

Director of INGREMEDIA Institute

Prof. Denis Gaste

Higher Institutes of Technological Studies

11 May 2005

El-Kef Higher Institute of Technological Studies

Training workshop on informatics and e-learning technology

18 May 2005

Siliana Higher Institute of Technological Studies

*Conferences on digital culture
Under the supervision of Mondher Ferjani, assistant professor of technology*

18 May 2005

The local section of the Constitutional Democratic Rally at the Zaghuan Higher Institute of Technological Studies, in collaboration with the District office, Symposium on the World Summit on Information Society Zaghuan Higher Institute of Technological Studies

20 May 2005

Nabeul higher Institute of Technological Studies

Lecture entitled "Geomatics"

25 May 2005

Zaghuan higher Institute of Technological Studies

*Lecture entitled "Defining Databases",
Delivered by Ihab Chakroun*

Tunis University, Gafsa University, Sfax University, Gabes University

16-20 May 2005

Itinerant Exhibition : The production of cultural and scientific content, demos, conferences and training workshops

Manouba University

10-12 May 2005

Higher Institute of Accounting And Firms Administration

27th colloquium of the Francophone Accounting Association "Accounting, Control, Audit and institutions"

18 May 2005

Manouba Higher Institute of Multimedia Arts

Workshop on digital pedagogy and content production and application

Gabes University

19 May 2005

Gabes Higher Institute for Computing and multimedia

lecture "the stakes of contents in the Information society"

M. Houcine Chebli, TVU president

M Mabrouk Elmontassar Gabes Univ. President

M. Laaroussi Weslati, Sud Toulon Univ vice – president

M ; Denis GASTE director of the IUP INGEMEDIA of Toulouse

M. Jean Pierre PROGART, The Incubator director

M. slaheddine JARBOUHI, The ISIM director

Tunis Virtual University

9 May 2005

Tunis Virtual University

Lecture “The open university experience in e-learning and particularly in sciences learning”

M. Peter W. SKELTON, Teacher at The Open University

13 May 2005

Tunis Virtual University with The City of Sciences and The British council

Lecture “The Open University experience in e-learning”.

M. Peter W. SKELTON, Teacher at The Open University

26-27 May 2005

Tunis Virtual University with Hammam-Sousse Higher Institute of Computing and Communication Techniques and the UNESCO

Lecture “Educative methods and infrastructure for e-learning in the Information Society”.

Hammam-Sousse Higher Institute of Computing and Communication Techniques

Monastir University

12 May 2005

Monastir National Engineering School

Symposium “ e - Inscription”

Monastir Univ. president , the General Director of common services, the Director of public Health ,the informatics service Chief

South and Center Universities institutions

University of 7th -November at Carthage

4 May 2005

Higher School of telecommunications

Lecture “The involving of future engineers in the Information Society”

*M. Ammar Lotfi the High School of Telecommunications
Director
El-ghazala Technologic Pole*

11 May 2005

National Institute of Applied Sciences and Technology

3rd days of “Linux install Party”

*M. Nader BEN MASSOUD, INSA TECH Club president
M. Mohamed Ramadhani, Supervisor
M. Taher BEN ACHOUR Liberty Soft Club president
M. Abderrazak JEMAI, Supervisor
M. Ilyes GHANMI, Supervisor*

May 2005

National Institute of Agronomic Researches

Seminar “Realities and Perspectives of researches in big culture”

Big Culture Lab

Sousse University

26-27 May 2005

Hammam-Sousse Higher Institute for information and Communication Technology

Symposium on e-learning

27-28 May 2005

**Sousse Higher Institute for Transport and
Communication Services**

*International conference on “Integrated Approach to
Transport and Logistics in Tunisia”*

Tunis El Manar University

26-27 May 2005

Tunis Economic and Management Sciences Faculty

Days of “Applied micro-economy”

Gafsa University

30 May 2005

*Inauguration of website : information on higher education
and services provided by Gafsa University*

June 2005

Higher Institutes of Technological Studies

1-8 June 2005

Zaghuan Higher Institute of Technological Studies

Training program on digital technology

4 June 2005

Nabeul Higher Institute of Technological Studies

Lecture entitled : *“Information Society : its definition, its Specificity, How to Run It”*

Delivered by Mustapha Masmoodi

10 June 2005

Nabeul Higher Institute of Technological Studies in collaboration with Tunis Virtual University

Seminar : *“E-learning and its specificities”*

15 June 2005

Ksar Hellal Higher Institute of Technological Studies

Lecture entitled : *“Informatic is the Language of the Age”*

Delivered by Mounir Rezgui, Prof. at Monastir Faculty of Sciences

1-30 June 2005

El-Kef Higher Institute of Technological Studies

Workshops on content production and website design

Tunis El-manar University

3 june – 15 july 2005

Tunis El-manar University

Competition of Web pages Creation on new technologies of communication

June 2005

Tunisian Automatics and Digital technologies Association

Summer school "Pedagogic Renewal and new technologies of communication"

Manouba University

6 – 8 June 2005

National school of Information Sciences

Symposium on e-business

Jendouba University

June 2005

Symposium on the theme of "University Graduates and local and national employment".

Gafsa University

June 2005

Drawing competition on the theme of "Information society and Start-Ups"

Sfax University

June 2005

Design of an interactive CD-Rom

June 2005

Higher Institute of Electronics at Sfax

ICT fair :

- teaching new technology
- research and new technology
- services and projection business in new technology

Tunis University

23-25 June 2005

Tunis Higher Institute of Management

1st World Seminar on “Digital Management”

Hammamet.

Tunis Virtual University

6 June 2005

Tunis Virtual University in collaboration with the Association of Bir-elbey old Students

Lecture “The digital culture and the educative and social renovation”

10 June 2005

Tunis Virtual University

Lecture “Tunis Virtual University and the digital culture in the universities world”.

Nabeul Higher Institute of Technological Studies

14-15 June 2005

Tunis Virtual University

Training Work shop “Interactive multimedia writing”.

Ez-Zitouna University

1st step : 6-30 June 2005

2nd step : 15 september – 28 november 2005

Ez-Zitouna University

Creation of the university Fair including scientific production , students production, student clubs production, topographies, historical documents of the university.

15-30 June 2005

Ez-Zitouna University

Competition “Drawing and painting related to different topics of the WSIS”

Atelier area

July 2005

Tunis Virtual University

4-5 July 2005

Tunis Virtual University

Training Work shop “Interactive multimedia writing”.

9-15 July 2005

Tunis Virtual University in collaboration with the French University Agency of Francophony

Training Work shop “Tutoring an e-training”.

National Institute of Applied Sciences and Technology

16 July 2005

Tunis Virtual University in collaboration with the French University Agency of Francophony

Information Day “Internet certificate and computing presentation”

M. GM COUCHARD from Picardie University

Nation school of informatics

University of 7th November at Carthage

11-13 July 2005

Tunis School of Technical Studies

Fourth summer Mediterranean school on energy policy and sustainable development in Mediterranean countries.

Organizers : Prof. Adel Eddhrif and Tahar Abdessalem.

Sfax University

12-16 July 2005

Faculty of Economic Sciences and Management at Sfax

Hammamet Summer School

Organizers : Hanen Ben Abdallah and Badreddine
Jamoussi.

July 2005

Sfax University

Sfax University Fair : special space for digital production
2005.

Kairawan University

13 July 2005

**Higher Institute for Informatics and Management at
Kairawan**

Students exhibition of ICT projects

Organized by the Enterprise Creation club.

Monastir University

15-30 July 2005

Monastir University

Summer school "Digital culture".

M. Ameur LEGMI. Computing engineer

Higher Institute of Technological Studies

16 July 2005

Ksar Hellal Higher Institute of Technological Studies

Study day on "Informatics, multimedia, and Integration
into the Knowledge Society".

Organized by a group of teachers from the Institute.

Gafsa University

July 2005

Gafsa University

Workshop on "*on line registration*".
Organized by the regional post office.
Cultural complex "Abidi Brothers" in Gafsa

July 2005

Gafsa University

Competition : Best graduation projects in informatics and multimedia.

August 2005

Gabes University

August 2005

Gabes University

Conference on " *How to make best use of Tunisian Brainpower overseas ?*".

Sfax University

31 August - 4 September 2005

Sfax Higher Institute of Informatics and Multimedia, in collaboration with Toulon University (France) and INGERMEDIA, Manouba University, Gafsa University and Gabes University

Summer School.

Director : prof. Abdelmajid Ben Hamadou. Prof. Mohamed Razzak Jeddi.

September 2005

Gafsa University

1-4 September 2005

Gafsa University

Summer School workshops on "digital content production".

Gafsa and Tozeur

Tunis El-manar University

6-8 September 2005

Tunis El-manar University (Communication mechanisms Lab)

18th colloquium "Hertzian and dielectric Optic"

12-19 September 2005

Tunis Sciences Faculty

International forum " mathematics analysis of random phenomena"

Manouba University

7 September 2005

Manouba Higher Institute of Multimedia Arts

Workshop : the state of interactive digital content production : results and examples.

25-28 September 2005

Higher Institute of Accounting And Firms Administration with the participation of "World Group of e-Management" and Tunis Economic and Management Sciences Faculty

Lecture « E-management : means and methods for a better integration in the information society »

End of September 2005

National School for Multimedia Studies

Conference on "Data handling and analysis : methods and practices."

Gabes University

One day at the first weekend of September-2005

Gabes National School of Engineers

Seminar "Media marketing of university activities and programs"

Sousse

Higher Institutes of Technological Studies

17 September 2005

Nabeul Higher Institute of Technological Studies and the Officer responsible for Computing at the National School for Administration

Conference on "The Administration and Information applications."

29 September 2005

Ksar Hellal Higher Institute of Technological Studies

Lecture entitled "Information Society." delivered by *Khaled Ben yahia, the director of the Higher Institute of Informatics at Mahdia*

September 2005

Zaghuan Higher Institute of Technological Studies

Lecture entitled "E-Business"

Delivered by a group professors of management, informatics, and law.

Ez-Zitouna University

20 September 2005

Theology Higher Institute

Participation to the Students Production Fair

M. Chokri JLASSI

City of Sciences

20 September 2005

Theology Higher Institute

CD Show : The university and its institutions history

M. Samir BANI

Ez-Zitouna University

Kairawan University

24 September 2005

Higher Institute of Informatics and Management at Kairawan

Discussion forum on ICT

Organizer : Mohamed Ben Ammar, teacher at the Institute.

30 September 2005

Higher Institute of Informatics and Management at Kairawan

Conference on the integration of ICT within the teaching system, delivered by Leila Belguith, teacher at the Institute,

Sfax University

September 2005

Sfax National Engineering school

Conference on "Intelligent Instruments".

Monastir University

September 2005

Monastir National Engineering School

Seminar "World Summit on Information Society".

7th November University at Carthage

15-16 September 2005

Telecommunications Higher School

Seminar "Paths of insertion in the digital economy : the Maghreb case and international comparison".

Mme Ymemina MATHLOUTHI

El-ghazala Technologic Pole

26 September 2005

National Institute of Rural Engineering, Research, Water and Forests

Lecture "Re-newable energies"

M. Thamer CHAIBI

Hammamet

26 September 2005

National Institute of Applied Sciences and Technology

GNU/ LINUX Live CD distribution

October 2005

University of Tunis El-Manar

14-16 October 2005

Tunis national Engineering school

Second International symposium (ISCH 05) on "Computational Intelligence and intelligent Informatics". Hammamet and Tunis.

Higher Institutes of Technological studies

15 October 2005

Kasserine Higher Institute of Technological studies

Lecture on "World Summit for the Information Society".

20 October 2005

Ksar Hellal Higher Institute of Technological Studies

Information day on e-learning.

Organiser : KHITS and Tunis Virtual University.

22 October 2005

Nabeul Higher Institute of Technological Studies

Colloquium on the specificities of e-learning.

Organiser : Mustapha Ouerghemmi, Secretary General of the Tunis virtual University.

October 2005

El-Kef Higher Institute of Technological Studies

Discussion forum around Article 5 of the President's Electoral program : "creating an appropriate environment for the knowledge society".

October 2005

Gabes Higher Institute of Technological Studies

Event to be determined

October 2005

Zaghuan Higher Institute of Technological Studies

ICT book fair.

Kairawan University

15 October 2005

Kairawan Higher Institute of Management and Informatics

Symposium on electronic communication and security
Organizer : Riadh Zaafrani, Institute faculty.

22 October 2005

Kairawan Higher Institute for Arts and Crafts

Lecture on "*the necessity to bridge the digital gap*"
Delivered by Adel Boubafa, associate professor in informatics.

26 October 2005

Kairawan Higher Institute for Arts and Crafts

Information day on "distance operation and development, facts and perspectives".
Organiser : Nourddine taktak, regional director for industrial promotion.

Ez-Zitouna University

October November 2005

The university Presidency and its institutions

Press revue publication

University of 7th November at Carthage

17-22 October 2005

Sidi-dhrif Higher Institute for Tourism studies

Open-door exhibition of computing and informatics appliances related to tourism and hotel business.

Organizers : Ouesfi Siala, informatics officer at the Institute, and nabil Lahdhiri, director of studies.

20 October 2005

Tunis National Institute for Labor and Social Studies

Lecture "ERP transformation in Firms"

Mme. Mouna SAADAoui

24-29 October 2005

Sidi-dhrif Higher Institute for Tourism studies

Conference on e-tourism.

Organizers : Ouesfi Siala, informatics officer at the Institute, and Nabil Lahdhiri, director of studies.

20 October 2005

National Institute of Applied Sciences and Technology

World movie "OS Revolution"

Monastir University

October 2005

Mahdia Higher Institute of Informatics

Symposium on "Network Security".

Organizers : the Institute's faculty and professionals.

November 2005

Sfax University

November 2005

Sfax Higher Institute for Business Management, in collaboration with **Savoie University (France)**,
The *Mediterranean Conference on " Ontology and Terminology"*.

8-12 November 2005

Sfax Higher Institute for Business Management

Event organized by the Sfax Techno park in collaboration with the Association for Economic and Social development.

22 November 2005

Sfax Higher Institute for Trade

Lecture "On line Training : What Kind of relational dynamism"

University of 7th November at Carthage

1-2 November 2005

Higher Institute for Tourism Studies at Sidi-Dhrif

Workshops on Ttunisian webites specializing in tourism and hotel business

Organizers : Ouesfi Siala, informatics officer at the Institute, and Nabil Lahdhiri, Director of Studies.

9 November 2005

**National Institute of Rural Engineering, Research,
Water and Forests**

Lecture "Agricultural machinisme"

M. Mohamed Ali BEN ABDALLAH

Hammamet

16 November 2005

National Institute of Applied Sciences and Technology

Seminar "GSM in Tunisia"

November 2005

National Institute of Agronomic Research

Seminar "Realities and perspectives in fruit trees
researches"

Kairwan University

2 November 2005

Higher Institute for Arts and Crafts at Kairawan

*Exhibition of students works on the theme of "information
society", there will be a prise distribution.*

21-22 November 2005

Faculty of Letters and Human Sciences at Kairawan

Conference on digital culture and new challenges.

21-24 November 2005

Kairawan Faculty of Letters and Human Sciences

Workshop on digital audio-visual technology.

21-24 November 2005

Kairawan Faculty of Letters and Human Sciences

WSIS related exhibition.

University of Tunis

14 November 2005

Tunis School of Science and Technical Studies

Exhibition of best graduation projects in informatics and multimedia.

15 November 2005

Tunis School of Economics and Business Studies

Lecture entitled "Digital Divide Between the Nations", delivered by Prof. Mahmood Swawi, the school's director.

16 November 2005

Tunis School of Economics and Business Studies

The Informatics Clubs at the Tunis School of Economics and Business Studies, the Tunis Faculty of Human and Social Sciences, and the Tunis School of Science and Technical Studies organize a competition to reward the best website.

Tunis El-Manar University

14-15 November 2005

Tunis El-Manar University – Law and Governance Research Unity

International Colloquium "Information and Communication Technology and the kind of delivered administrative service"

21-22 November 2005

Tunis El-Manar University – Hydraulic Modelisation and Environment Lab

31st day GFHN 2005 : French group of humidity neutronic and transfers in porous environment

Sousse University

November 2005

Higher Institute for Applied Science and Technology at Sousse

Distance workplace and ICT business projects.

November 2005

Exhibition of a collection of scientific publications on the most recent findings in ICT and the best search engines and websites.

Higher Institutes of Technological Studies

November 2005

Tunis Higher Institute of Transmission technological Studies

Lecture entitled "Progress of optic fibre transmission", delivered by Zohra Akrouf.

Lecture entitled "The use of ICT in training", delivered by Denis Gaste, director of IGEMEDIA from university du Sud, Toulon Var (France).

Manouba University

16 November 2005

Institute of press and information Sciences

Colloquium "Teaching press and communication"
M. François DIMARS

16 November 2005

Institute of press and information Sciences

7th Colloquium “Mediterranean Network of Multimedia Training Canters” with the participation of Toulon University President and the directors of Mediterranean informatics Institutes

November 2005

Tunis Business School

International symposium on "Tourism and ICT".

November 2005

Faculty of Letters at Mannouba

Seminar “Digital analysis of geographic data in the services of long lasting development”

El-Zitouna University

10-18 November 2005

The University Presidency and its institutions

Show of Web sites of the university and its institutions
M. Chokri JLASSI
City Of Sciences

16-18 November 2005

The University Presidency and its institutions

Participation to the Higher Education Fair
M. Abdelkarim ELOAUTI
Elkram Fair

November 2005

The University Presidency and its institutions

Brochures and Posters making for the WSIS
M. Rachid GARI

Gafsa University

14-19 November 2005

Gafsa University

Scientific demonstration :

- “Digital art : Paintings and digital production fair”

Presentation of a virtual support

- lecture on digital plastic art

Higher institute of arts and trades
